Open???

Matt Grunzweig

The Hillsdale College Shotgun Team concluded day four of five in San Antonio, TX with second place in the American Skeet event. The 5 man team of Ian Dupre (99), Drew Lieske (99), Kie Kababik (98), Kyle Luttig (98) and Matt Grunzweig (96) rounded out a solid score of 490 out of 500 to fall just two targets short of Schreiner University's 492. Also scoring 96's for the team were Emanuel Boyer, Joe Kain and Jordan Hintz.

Day 3 of the ACUI Collegiate Nationals in San Antonio, TX saw the Chargers Shotgun Team take first place honors on the D3 podium in sporting clays, international skeet and international trap. An impressive start to the week's competition!

Sophomore Drew Lieske led the team in sporting clays with a 95, followed by 92's by Joe Kain and Kyle Luttig, 91 by Ian Dupre and a 90 by both Kie Kababik and Matt Grunzweig. The team's collective 5 man sporting score of 460 was 12 targets higher than D2 second place Emanuel College. This is the second year in a row that the Chargers won the sporting event. Kain and Lieske rounded out another solid performance in international skeet. Their 90's and Emanuel Boyer's 84 edged out runner up Schreiner University by one target.

Last but not least, the Chargers took a commanding win in the international trap event. Jordan Hintz (96), Ian Dupre (96) and Kie Kababik (95) shot a total of 287 to beat all 76 schools, including those in Divisions 1 & 2. An impressive accomplishment to say the least. Coach Mike Carl said "When you knock off the big dog, you become the new big dog!"

With just one more event to go, American Trap, the Chargers are currently sitting in a great position to secure their third consecutive Division 3 National title.

SPORTING CLAY TOURNAMENT RESULTS

Beautiful day, awesome targets and 105
Shooters-

Yes he does it again! Expecting father, Matt
Houtteman posts the winning score of 96 for
yet another win. Word has it Matt & Kelly are
expecting a baby girl☺

Nice Shooting Matt!

*Winning jackpot number is 72! The winners of
the jackpot are: Kathi Goover, Dennis
Boudia, Roy Gardner, Dave Pratt, and Bruce
Parker. Congrats gang!*

FIT ASC EVENT

Al & Trish Magyar

Gosh, I don't even know where to begin with this one... Al is the big brother I never had. He has been through it all with myself and my family, good times and bad. He has always been there to listen, lend a hand, or boost morale! I've known Al for over 36 years. He has literally "saved my life" more than once...We have worked together, vacationed together, spent holidays together, mourned together, the list goes on and on. Not only is Al a caring and giving guy, he has supported our Gun Club since before Scott and I started to manage the Club in 1980. He is known to most as "Mr. Skeet"! He has won several Skeet Titles both in State and National levels. Al has sat on our Board of Directors for many, many years and has also served several terms as our President. I wouldn't hesitate to call my BIG BROTHER for anything😊

When Al & Trish got married she fit right in. She shoots with (against lol) him and sits on the Board of Directors for the Michigan Skeet Association and has been a great asset to Skeet! She helps out with most of our computer issues here at the club and she and Al own Al's Picture Perfect and are the best in large screen home audio theatre installation. They also install video surveillance cameras.

Having these two people as a part of our family has been truly heartfelt.
