

DID YOU KNOW.....

Your Club hosts the Scholastic Clay Target Program for Junior Shooters???

The SCTP has approximately 300 kids that come out to our facility to compete in their Michigan State Championship Shoot. They shoot Skeet, Trap, and Sporting Clay's all in one weekend! We are very proud to be a part of these kids futures!

The target of SCTP is true: to help young athletes reach their potential of becoming the best athletes—and young adults—that they can be.

“Preparing today’s youth to become the leaders of tomorrow.” -

IN THE WORD'S OF BOB HOUTTEMAN (MATT'S FATHER)

Debbie,

You had asked me to keep you posted on Matt's winning streak. It now stands at 18 consecutive NSCA events, stretching back to 9/27/15 (one week before they got married).

The next tournament for him will be at DGC on 5/22/16. If you publish before that, then 18 is the number. For 2016 so far, it's 42 punches on the first 1,000 registered targets.

He won't brag about himself so I have to do it for him.....

Thanks,

Bob

DETROIT GUN CLUB CLASS "A" STOCK

Are you interested in becoming a Class "A" Stockholder at Detroit Gun Club? As a Stockholder you are recognized as Class "A" rather than a Class "B" member. You are allowed voting privileges and may be asked to be put on the ballot (ballots go out once a year) to run for a position on the Board of Directors.

The Board of Directors meet monthly to discuss our facility and once a year we hold an Annual Stockholder's meeting that you may attend. If you are interested feel free to talk to myself, Scott or any of the current Board of Directors!

DENY TANIS

Deny joined our club in May of 2008, and boy does he like to shoot! He is here just about EVERY day we are open (rain or snow) and shoots, and shoots, and shoots. He participates in most of our tournaments and now sits on our Board of Directors. He supports everything we do! I have to say that I have never heard an unkind word from Deny- ever. In fact he always speaks highly of myself, my family, and our staff. Deny is a very kind and social person. He takes great pride in his family and loves being a grandfather, as we share photos and videos! I know both he and his wife have had some health issues, but Deny never complains. He is a “glass is HALF FULL” kind of guy.

Deny primarily shoots skeet but participates in club leagues, club championship events, and sporting clay tournaments on his off season. Deny also donates his time to work as a trapper when we host shoots to help increase revenue in our club. He does this for the love of our club. Deny is truly a passionate man and my Ella Rae loves him. He treats her as an important individual and makes her feel special. Thank-You Deny for all you do...for all your kind words...and for who you are - Debdoll
